Preferred by Nature's online FSC CoC course is a customised auditor training to meet the training demand during COVID-19 pandemic, considering the travel and safety restrictions, without reducing the quality of our regular in-person auditor trainings held worldwide.

The content and duration of the training will meet all the standard FSC requirements for auditor trainings and at the same time be adjusted to be presented and acquired via different virtual tools and training methods. To enable everybody to participate actively in the live sessions and group work, the maximum number of places is 12.
